

The game pressure, how do you manage your expectations?

I just try to take one step at a time. I am very happy with the way I played today . Much different start

than yesterday , I had a lot of confidence and felt a lot of confidence on the court. I knew it was going to be tough against a player like Pacheco , so it brought me a lot of confidence and I was very glad to bring that to the court .

Hi Denisse Poncho Galindo from

La.Octava Sports .

After 10 years no one has been able to be a Double Champion in los Cabos and maybe you can be back to back , how confident do you feel after two matches ? It's still a long way ahead to the finals , there are still tough matches ahead of me , to win back to back would be unbelievable, it's not in my mind that all is won. I still have tough matches and just happy to make to the end of the game.
